

AMENDED IN SENATE MARCH 20, 2006

SENATE BILL

No. 1308

Introduced by Senator Battin

February 16, 2006

An act to amend ~~Section 56000 of the Government~~ Sections 85, 86, and 88 of the Penal Code, relating to ~~local government~~ bribery.

LEGISLATIVE COUNSEL'S DIGEST

SB 1308, as amended, Battin. ~~Local government reorganization. Bribery.~~

Existing law subjects a person who offers to give a bribe to a Member of the Legislature or a person on the member's behalf, or who attempts through specified corrupt means to influence the vote of a member, to imprisonment in the state prison.

This bill would, in addition, subject a person who offers to give a bribe to any member of the legislative body of a city, county, city and county, school district, or other special district, or a person on the member's behalf, or who attempts through specified means to influence the vote of any member of a legislative body of a city, county, city and county, school district, or other special district, to imprisonment in the state prison.

Existing law subjects any Member of the Legislature who asks for or receives a bribe in exchange for influence over his or her official action to imprisonment in the state prison.

This bill would, in addition, subject any member of the legislative body of a city, county, city and county, school district, or other special district who asks for or receives a bribe in exchange for influence over his or her official action to imprisonment in the state prison.

Existing law requires any Member of the Legislature convicted of a crime involving bribery to forfeit his or her office and disqualifies him or her from ever holding office again.

This bill would, in addition, require any member of the legislative body of a city, county, city and county, school district, or other special district who is convicted of a crime involving bribery to forfeit his or her office and would disqualify him or her from ever holding office again.

Because this bill would expand the applicability of certain crimes, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

~~Under the Cortese-Knox Local Government Reorganization Act of 2000, the local agency formation commission in each county is required to review, conduct a hearing and election if required, and approve or disapprove proposals for changes of organization or reorganization of cities and districts within the county.~~

~~This bill would make a technical, nonsubstantive change to a provision in the act.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

3 ~~56000. The provisions of this division shall be known and~~
4 ~~may be cited as the Cortese-Knox-Hertzberg Local Government~~
5 ~~Reorganization Act of 2000.~~
